Attention

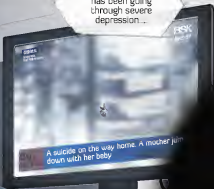

Pyramid saleswoman committed suicide
with 100 million won

...With double
suicide, the citizens
are shocked

The woman called Gim, who
committed suicide, is a
pyramid saleswoman from
N company.

She worked for
several years she
lost all her money,

Recently, she
has been going
through severe
depression...

ALL KILLER

1. Joint Investigation

It sure looks
scary

If she was going
to die, she should
have died alone.
Why did she jump
with a baby?

This is why
we shouldn't
watch news
when we are
eating

Hey, Chief
It's not one or
two people.

There are people
involved. Your
emotions are
too dry

sfic grab

You are really comfortable,
aren't you? Are you worrying
about other people? Are you
not even aware that your feet
are on fire?

Eat all your
dumplings

Stop...

Ugh Ugh!

...It has already been
two months since the
investigation has
started

They can't find
anything about this
incident

The criminal seems to be
laughing at their face. He
committed a cruel act
again a week ago

But the
investigation team
looks like they have
failed again

They have nothing to
show for their efforts

Yes. Please
take care of your
health

I will come
and see you no
matter what
the time is.

Yes....

You said
you quit

I think I have
to quit coffee
like this

It is like blood to
people like us

Was that your
mother just now? You
said that she was sick.
How is she?

Well... it looks like she
is better. But the old
lady is staying in her
house for too long,
she is feeling stuffy...

It looks like she
doesn't want
to worry you...

I decided to go and visit her when the situation here is wrapped up. But that's not going as how I thought it would be

Sigh... right

I thought that we would have a proper evidence this time, but no luck...

Is it good that he is committing more crimes now...?

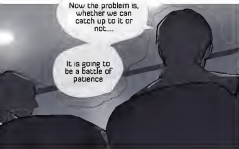

...Yes

He is clever, but he is showing signs that he is losing self control to committing more murders

Now the problem is, whether we can catch up to it or not....

It is going to be a battle of patience

How many
more have to
die before it's
over....

Public opinions are
public opinions, but
it hurts me to see
the people dead

There was one
who was barely a
high school
student...
